I apply for Membership in the Yacht Club as a non-resident, which means I can benefit from use of the Yacht Club though do not vote on LFPOA matters. I also can use the Golf Club Grill.

My guests and I will conduct ourselves in a manner fostering our friendly, family atmosphere. Please read the House Rules on the reverse side before signing.

I understand I am expected to present my membership card for service and this is a cash only "pay as you go" account. Guests must be accompanied by a member. Unaccompanied guests are not permitted unless through agreement by the Yacht Club Committee of the LFPOA.

My membership fee is non-refundable, except in case of disability or death.

House Rules Summary for the Yacht Club

- Members should present their card upon arrival and/or before service.
- No food or beverage may be consumed in any facilities unless purchased through the food and beverage department or with special permission from the management.
- People under 21 years of age will not be permitted to purchase or consume alcoholic beverages on LFPOA property.
- The LFPOA will refuse the sale of alcoholic beverages to any individual deemed by management to be in a state of intoxication or if behavior does not meet the standards and spirit of the House Rules for the Community.

The Association management and the Board of Directors desire that all members will enjoy the Yacht Club with honor and respect and that there shall be no need to levy disciplinary action or penalties. However, for the protection of those members who abide by the rules and honor the reputation of the Association, management must enforce rules and assess penalties against those who violate Association rules and regulations.

The following penalties are available:

1. *Request for correction.*
2. *Letter of warning and reprimand.*
3. *Suspension of one or all Association privileges for one week, month, year, or more.*
4. *Other action determined by the Yacht Club Committee, Board, or managers.*

Selection of the penalty will depend upon the severity of the violation. Any member receiving a penalty has the right to present reasons or facts against the levying of such penalty in a letter to the Yacht Club Committee. You may be invited to meet with the Yacht Club Committee or present your letter before the Board of Directors. The decision of the Board will be final.
