

S.W.I.N.G.

Teams experienced golfers with new golfers to create a comfortable start on the golf course. S.W.I.N.G. is what EWGA is all about – helping women enter the game of golf in a fun, supportive environment!

Mentors Needed!

Are you an experienced golfer who knows how to get around the golf course effectively, regardless of your golfing skill?

Do you have an understanding of the basic rules and etiquette of golf (such as where to tee off, how to mark a ball, etc.)?

If you are interested in being a Mentor, **Contact Sally Livingston, Golf Education & Player Development Chair**
@slivingston@reunionresort.com or
727-543-1430

By taking a new member out on the course and being available for her questions and concerns, you will receive:

- 25% discount for one year on all Bette & Court products purchased from our affiliate ForeSport.com
- Unique Mentor Pin and S.W.I.N.G. cap
- Chance to win a shopping spree from Bette & Court
- Satisfaction and reward of helping a new golfer get hooked on this game we all love!

Interested in having a Mentor?

The S.W.I.N.G. mentoring program offers an opportunity to have a “golfing buddy” make that transition from instruction to playing golf. This program is open to all member golfers, provided you’ve been through a basic level of golf instruction.

Though the mentor is not there to help you with your golf swing, they may help you feel more comfortable playing golf with others on the golf course.

Benefits of the S.W.I.N.G. program are:

- A “golf buddy” to help you make the transition from golf instruction to playing golf and familiarize you with EWGA.
- Introduction to other EWGA members.
- 25% discount for one year on all Bette & Court products purchased from our affiliate ForeSport.com and a unique N.G. cap.
- Chance to win great prizes!
