

**EWGA – ORLANDO
VOLUNTEER INCENTIVE PROGRAM**

EWGA-Orlando depends upon our volunteer’s active participation throughout our Chapter. *Your time, talent, and creativity play an integral part in the success of our organization.* We want you to know how valuable your contributions really are, so we have developed the Volunteer Incentive program.

Members will be awarded points based upon their volunteer participation to the organization throughout the year. The volunteer with the highest number of points accumulated each quarter will be rewarded with a free entry to the event of their choice up to a \$50 value. All volunteers accumulating 25 points or more for the year will have an opportunity to be entered into the yearend drawing for a year classic membership valued at \$125. For every 25 points you accumulate you earn one opportunity to win the grand prize. Example: 25 points = 1 entry, 50 points = 2 entries and so on.
