The **Executive Women's Golf Association (EWGA)** is a not-for-profit organization formed in 1991 to provide opportunities for women to learn, play, and enjoy the game of golf for business and for life. After more than a decade of promoting the growth of women's golf, the EWGA has grown from its inaugural group of 28 to an international network of over 19,000 members in over 120 Chapters across the US and in Canada.

A Common Link At Any Level--

New golfers, occasional golfers, and avid golfers each find EWGA programs geared to their interest and demanding time schedules. The **Orlando Chapter** of EWGA offers after-work league play, social events, monthly golf outings, educational clinics, a championship series and much more.

Membership in the **Orlando Chapter** is growing and our members are among the most dynamic and influential women in the area. More importantly, they are making decisions to purchase goods and services for their companies and themselves.

Your support helps us defray administrative expenses and will enable us to make increasing contributions of time and money to charitable causes in the Orlando area.

Please consider a sponsorship opportunity as a means to promote your products or services to this highly targeted audience of decision makers.
