Thank You

July 2009

To all of my fellow EWGA members and good friends,

It always happens before you know it - we are right in the middle of our season! The days are long and the sun is shining (well, at least most of the time).

I hope you are taking advantage of the education, leagues, and weekend events that are offered. There is so much on the calendar to choose from, your Board has done an incredible job of giving you many options to play more golf. If there is ever anything that we can do better, please don't hesitate to tell us. The easiest way to do that is to send an e-mail to info@ewgapdx.com. We appreciate your feedback!

But as you all know, golf is only part of the equation. I played a few weeks ago with some EWGA buddies, and recall the conversation afterwards as we were having a beer. It was a warm day, we'd had a fun round, and there was lots of laughter about our good and bad shots. At one point, someone looked around and said "Isn't this just THE BEST??" She was right; golf is a wonderful game but the friendship and camaraderie is what keeps bringing us back.

I wish you many, many happy times playing golf with your friends.

Sincerely,

Sue Plato
Portland Chapter President
