

HANDICAP SIGN UP

Please use one of the following options to sign up to keep a handicap.

1. Fill out the attached form and mail it to the post office box with a check for \$15 to sign up for a USGA GHIN Handicap. This is recognized at courses everywhere and in all tournaments. This must be done on a yearly basis so if you signed up last year you must do so again this year.
2. Sign up for the Golf Life Management system on the EWGA website. This handicap system is free to all members. This handicap is only valid for EWGA events.

In order to establish a handicap you must have 5 - 18 hole scores or a combination of 9 holes equal to that. Please remember if you are posting a nine hole score to indicate this when you post. Also, be sure to post all of your scores, good and bad, so that you establish an accurate handicap.

Remember that you need a current handicap to compete in the Chapter Championship. This is a flighted event so your handicap will allow you to compete only with those of a similar ability.

Any questions please email handicaps@ewga.com.

EWGA HANDICAP SIGN UP

Register with us for \$15 to establish or renew your handicap.
(Checks Payable to EWGA)

Name: _____

Address: _____
