Notes:

Points are converted to rewards as of October 31 of each year.
Rewards expire on December 31 of the following calendar year.

Rewards may be applied to the cost of league registration or any Chapter event other than the Breast Cancer Classic.

Rewards may not be applied to the member's annual membership dues or GHIN fees.

Officers and Chairs do not earn points in an area of their direct responsibility.

Officers and Chairs will receive a membership dues credit (in the form of a check) at the end of their year of service on the Board; the credit shall be equal to the dollar amount credited by National to the Chapter for the individual's membership for the year of service. In 2009, that amount was \$30.

Officers and all Board members who attend the Annual Dinner and the Kick-off will receive free tickets for those events in recognition of their work at those events.
