

## 2009 LEAGUE LIST

*A, B, and C flight designations and an Instructional League are based on skill level. League format will be Individual Stroke Play.*

We are excited about what the 2009 season has to offer! We invite you to be involved in the leadership of your leagues and encourage you to find a way to contribute your talents. We are always open for suggestions. What you get out of EWGA is a function of what you put into it. There are many offerings in addition to league play. Please do your part in making this season another successful year.

*For 2009, the leagues continue to provide an opportunity to network, meet new friends, improve skills, handicaps, and most of all - have fun!*
