

## Juniper Junior Golf Programs

The Junior Golf Program is just a few weeks away from starting. Sign-ups will start on June 7 with the first session starting on June 21st. This year brings some new opportunities in junior instruction.

The Pee Wee program is for golfers age 5-7 years old. Pee Wee sessions will be 4 lessons in a two week period. Lessons will start at noon and will last 30-40 minutes. Each session will be limited to 8 golfers.

All juniors, age 8-17, will be able to sign up for the Monday Schedule or the Wednesday Schedule. Groups will start at 1:30, 3:00 and 4:30. Each group is limited to 20 players. Juniors may sign up for both the Monday and Wednesday Schedules, if space is available. Instruction will be similar, so taking both days would be additional practice on the same lesson.

For all juniors playing COJGA tournaments and juniors approved by the instructor, a program designed to further a player's ability will be offered on Thursdays. The Juniper Junior Players Program will meet for three Thursday mornings with 9 holes of golf in the afternoon. All under the supervision of the instructor.

All juniors that participate in any of our junior instruction program will be eligible to play in our Junior Club Championships, skills contest and Parent-Junior Tournament.

The season will end with our Parent-Junior Tournament on August 22nd. The Parent-Junior tournament will have a \$20 entry fee to pay for the dinner. Season awards and prizes will be presented at the after tournament banquet.

To a great summer of junior golf!

The junior card will allow the juniors to play golf on the course at no charge during non-busy afternoon times.
