The Board meets every second Thursday of the month at 5:30 PM in the conference room at Lone Tree Golf Course. All members are invited to attend.

Greetings!

We are nearing the end of our 2008 season. Steve Hill is our current point leader, closely followed by Kirk Johnson and Steve Ward. It looks like our point champion will be decided in the next few tournaments. We have Match Play, ABCD, Three Way Challenge and Turkey Shoot remaining. Please see page two for more information on those tournaments.

November Elections

We will be electing new 2009 board members in November, 2008. Please consider serving on the AGC Board of Directors. If you would like your name on the ballot, please contact Phil Van Tassell at 798-5445.

Jimmy Olds Memorial

Thank you AGC members for your generous donations towards the purchase of a memorial bench to honor Jimmy Olds. The bench has been ordered and construction is underway. The bench will be placed near the 1st tee at Lone Tree Golf Course. This is a great way to honor Jimmy, a 47 year AGC member, past tournament director and great friend to all of us. We expect the bench to be delivered very soon.

Website

The Lone Tree Golf Course selected a new website provider. When Lone Tree transitioned to the new website, only a sample of AGC information was transferred. The board realizes the importance of a club website and is reviewing our options towards purchasing a golf club website or creating our own site. If you have website development experience and would like to help out, please contact one of the AGC Board Members.

A,B,C,D Tournament

November 1, 2008

This fun format with the accompanying spread will once again be held this year. Signup and consider bringing a guest to the meal which follows the tournament. The cost for players will be \$35. Any guest may join us for the sumptuous meal for only \$20. The computer will generate the teams and we will play three best balls of four for the scoring. 100 % handicap will be used. Each team will have a computer selected 'A', 'B', 'C' and 'D' player based on handicap. Here's a chance to play in a fun tournament and meet other players. This will be a 12:30 p.m. start. Deadline will be October 22. Late entries will be accommodated on a space available basis.

Contact Phil Van Tassell, 798-5445 with any questions.

Three Way Challenge

November 15, 2008

The Three Way Challenge is a two-person, flighted tournament with no handicaps within flights. Team indexes must add up to minimum of 9 and there must not be a greater than nine point difference between indexes. Holes 1 - 6: Alternate shot, where both players hit a tee ball on each hole, choose one tee shot, then alternate shots until holed, playing only the one selected tee ball. The partner whose tee shot was not used shall play 2nd. Holes 7-12: Scramble. Holes 13-18: Better ball with each player playing his own ball and scoring better ball. The cost is \$25 per player.

Turkey Shoot

December 13, 14, 2008

This is a low gross, low net stroke play tournament without flights using 100% of AGC indexes. There will be payoffs for Saturday and Sunday but not an added payoff for two-day totals as in the past several years. The cost is \$15 per player per day.
